# Lompoc Natural Ledge Blended Thin Veneer

**Authentic tri-blend design:**  $\frac{1}{3}$  Natural Ledge Face,  $\frac{1}{3}$  Snapped Face,  $\frac{1}{3}$  Seam Face for genuine dimensional stone appearance

**Convenient packaging:** Sold by the square foot in 100 sq ft pallets; matching corner pieces available in 50 LF boxes

**Versatile applications:** Perfect for interior/exterior walls, fireplaces, columns, chimneys, outdoor kitchens, water features, pools & more

**Flexible Installation:** Use with traditional  $\frac{1}{2}$ " mortar joints or dry stack pattern (order extra for dry stack)

**Residential & commercial grade:** Professional thin veneer for easier installation than full-size stone

**Complete system:** Includes both field stone and corner pieces for seamless project completion
