

Lompoc Tumbled Petite European Castle Thin Veneer

100% authentic natural stone thin veneer
- Tumbled finish for a timeless Old World aesthetic

Available in irregular squares and rectangles from 3"x3" up to 11"x11"
- Saw-cut to a consistent 1 1/4" - 1 1/2" thickness

Lightweight design reduces structural load
- without sacrificing the beauty of full stone

Suitable for both residential and commercial applications
- interior or exterior

Versatile enough for walls, columns, fireplaces, chimneys
- barbecues, planters, and water features

Flats sold by the sq. ft.
- and corner pieces sold by the lineal ft.
